

ICE CREAM

COLOURS:

BRUSHES:

Medium round brush, Small thin round brush.

Step 1: Using a medium round brush, paint the scoop of ice cream, it doesn't have to be a perfect circle. Then paint a red cheery on top.

Step2: With a medium round brush, paint the cone (underneath the white scoop of icecream) with light orange.

Step 3: With a thin round brush, paint criss crosses around the cone with a light yellow. Paint a little spot of white on the cherry.

PRO TIP:

if you wish to add more detail, you can paint in a light grey color on the cone just underneath the ice cream for shading.
